Samantha – we have production due tomorrow in for the Natural Resources Defense Council v. EPA (Sue and Settle FOIA request). NRDC’s FOIA request sought records related to the oral directive on sue and settle provided by Administrator Scott Pruitt in a March 2017 radio interview. There are a few of your emails in this production that I wanted to make sure you were aware were being produced.

First attachment: Emails on page 175-186 – primarily duplicates of the same email with Leslie Hulse from American Chemistry Council. Also, there are a few emails from PoliticoPro that were sent to you that contain news articles.

Second attachment: emails on pages 5, 34 (redacted), 37 (redacted) and p. 51. Again, some of these are duplicates where you are clarifying that the “sue and settle” directive was verbal and not a memo.

Let me know if you have any questions.
